Intimate Concert Series

Saturday 25 October, 7pm

Fran Snyder

Once in a while you discover an artist whose music connects with you in a lasting way. Fran Snyder's music is like a phone call from a far away friend - warming, fun, enlightening, and refreshing. It's like the way you feel when you reconnect with someone you didn't even know you missed.

Fran Snyder is a solid entertainer who can command a crowd with just a microphone and his acoustic guitar. Armed with great original songs, surprising cover tunes, and more than a handful of humor, Fran knows how to connect with even the most informal audience.

He's played colleges, clubs, and mainstages all over the US, touring extensively as a solo act. On the mainstage, he has opened for many of his heroes, including Shawn Mullins, Shawn Colvin, Don Henley, Peter Stuart, Dan Fogelberg, Cowboy Junkies, and Boz Scaggs.

Snyder has produced and released five discs on his independent Better Records label.
