James Barnhart

Jim is a singer/songwriter living in the Phoenix area. Music is his love & life starting with a choral background and later expanding to playing guitar. His calming tenor voice blends well with his guitar style; each harmonizing with the other.

As a child and teen in the 60's & 70's, he has been influenced by the folk musicians of that time. His music is original drawing upon life experiences and the emotions they bring.

Seating is limited, so contact us soon to reserve your tickets!
