*"...this music is a "joyous noise"*

*"...lots of folks sing good together but this is truly inspired vocalizing...a unique blend..this is 'shivers up the spine' singing!!"*

*"The new Cd release by Misner & Smith, Poor Player, is a celebration in song by a duo of very formidable talents."*  
-Review of "Poor Player" from RARwriter.com

Crafting original songs rich in meaning and texture, the duo's sound is centered around unique vocal harmonies and evocative lyrics and in 2007, their song "Madeline (Paradise Cracked)" won the West Coast Songwriters Association's Song of the Year competition. Their influences span many genres ranging from Traditional and Old-time music, Bluegrass, Folk, and Rock and Roll, to Reggae, Motown and the Blues. Strong songwriting and an exceptional blend of voices are what set this pair apart.
