Journey With Victoria Walk the Labyrinth

As far back as the Bronze Age the labyrinth has been used as a tool for meditation, healing and self discovery. Discover the inner light, the light that you are, through the journey of walking the labyrinth. Feel the ancients, God, Spirit, Creator, Source, All That is One guiding your journey.

Enjoy the evolving, mystical and often magical journey within as you follow the labyrinth path home to the Source of all knowing.

Victoria Barna shifted from corporate executive to volunteering in 1998 wanting to "give back", founding Evolving Journeys in 2007.
